QUIZZES – RESET QUIZ ATTEMPTS FOR LEARNERS

Enable learners to retake a quiz by resetting a quiz attempt. This tutorial shows how to reset quiz attempts for learners.

Step 1.
From the **Quizzes** tool, navigate to your **Manage Quizzes** page.

Step 2.
Click on the **context menu of the quiz** with the attempts you want to reset and select **Grade**.

Step 3.
Select the **checkbox for each attempt** you want to reset.

Step 4.
Click Reset 🗑 and confirm that you want to reset the attempt.
